Universal Cuff

Easily adjusts to fit different shaped handles.

The Universal Cuff provides a secure grasp on a variety of handle shapes and sizes. Ideal for persons with limited hand function. Made of textured, cushioned foam, this utensil holder securely holds items such as silverware, pens, pencils, brushes and combs. The elastic strap can be stretched to fit a variety of different-sized handles. A piece of cylindrical foam comfortably pads the palm. The D-ring makes it easy to put the Universal Cuff on and take it off. One size fits all.

NC35350 \$10.95

Molded to fit the hand.

Melaware Cup

People with limited grasp can hold this cup confidently.

The thumb and index finger slip easily around the narrow stem of the Melaware Cup. Ideal when finger strength is decreased. Holds 8 fl. oz. (237ml). Molded plastic cup is dishwasher safe. Melamine products should not be microwaved.

NC35220 \$ 9.95

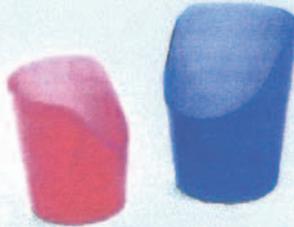

Nose Cut-Out Glass

Unique design enables drinking without tilting the head.

The Nose Cut-Out Glass is ideal for people who choke easily or cannot tilt their head back due to neck injuries. Useful for children who have cerebral palsy. The 2 7/8" (7.3cm) wide cut-out fits around the nose when drinking. Made of unbreakable plastic. Holds 8 fl. oz. (237ml). Available in flexible Clear and non-flexible Blue. Dishwasher and microwave safe.

NC35273-08 Blue \$ 3.95
NC35274-08 Clear \$ 3.95

Flexi Cut Cup

Drink without extending your neck.

Unlike other cut cups, the Flexi Cut Cup can be gently squeezed to change the shape of the cup lip. Made of flexible plastic with a cut-out design. The Pink Flexi Cut Cup holds 1 fl. oz. (30ml), the Blue Flexi Cut Cup holds 2 fl. oz. (60ml). Top rack dishwasher safe. Sold in a package of five.

Pink (5)
NC35278 1 fl. oz. (30ml) \$ 9.95

Blue (5)
NC35275 2 fl. oz. (60ml) \$10.95

Mug with Lid and Handles

Large handles and spouted lid make drinking easier.

This clear plastic mug may be used with or without the included lid. The spout in the lid controls the flow of liquid. The two large handles are easy to hold and the wide base helps prevent accidental tipping. The Mug with Lid and Handles holds 10 fl. oz. (296ml) and is dishwasher and microwave safe.

NC36270 \$ 8.95

Long Handled Mug

A choice of lids adapts this mug to suit your drinking preference.

This clear polycarbonate, single-handle mug features two lids: a feeding spout lid and an anti-splash lid. Both lids have a convenient straw hole. Mug is dishwasher and microwave safe. Wash lids in warm, soapy water. Mug holds 10 fl. oz. (296ml).

Anti-Splash Lid

Souper Spoon™

Unique raised lip keeps liquids and food on the spoon!

The innovative lip of the Souper Spoon™ is specially designed to prevent spills while moving the spoon from the plate to the mouth. The one-piece, stainless steel lip is easy to clean and fits smoothly in the mouth.

Available with the Good Grips® Souper Spoon™ handle or the Standard Souper Spoon™ handle. The Good Grips® model features the same twist in the metal shaft and the soft, built-up handle as the Good Grips® Utensils shown to the right. This model is ideal for persons with arthritis, neurological impairments or for those who have had a stroke. Both models are dishwasher safe. The Good Grips® Souper Spoon™ is sold individually. The Standard Souper Spoon™ is sold in a package of six.

Good Grips® Souper Spoon™	Standard Souper Spoon™
NC65590 (1) \$ 6.95	NC65587 (6) \$16.95

Goodie-Strap™

Hold Good Grips® utensils with greater ease.

This expandable elastic strap is ideal for persons with limited grip. Just attach the strap to the utensil and slip the hand through the loop. Standard size fits almost any adult hand and accommodates all Good Grips® utensils as well as other large or built-up handles. Pediatric strap fits the Good Grips® Pediatric Spoon. Machine wash and air dry.

NC35342 Standard	\$ 3.95
NC35341 Pediatric	\$ 3.95

Good Grips® Utensils

Comfortable, built-up handles have flexible ribbing that conforms to any grip.

Good Grips® cutlery has a soft, cushion grip that keeps the utensil in the hand—even when wet! The large, easy-to-hold handles are made of a soft, rubber-like material, with flexible ribbing that's comfortable to hold and adapts to any grip. The Good Grips® handle is so unique, it has a U.S. patent.

Customize Good Grips® for anyone.

Each stainless steel spoon and fork has a special twist built into the metal shaft that allows them to be adjusted to any angle. Bend for use with either the right or left hand. A great solution for persons who have had a stroke, and for those with arthritis, weak grasps, or limited arm movement. The rocker knife requires only minimal arm strength for cutting. An extended safety cap protects fingers while cutting. Dishwasher safe. Utensils sold individually.

Good Grips® Pediatric Spoon.

This spoon features a smaller, "kid-sized" bowl and handle. Unlike most pediatric spoon handles, which have a static, right-hand bend, the Good Grips® Pediatric Spoon can be bent to any angle for use in the right or left hand.

Individual Utensils

NC65591 Fork	\$ 5.95
NC65593 Teaspoon	\$ 5.95
NC65594 Tablespoon	\$ 5.95
NC65595 Small Spoon	\$ 5.95
NC65592 Rocker Knife	\$ 6.95
NC65588 Pediatric Spoon	\$ 5.95

Bend the shaft on Good Grips® utensils for a custom fit.

Grasp the handle firmly. Bend left or right. Ready for custom use.

The Rocker Knife is designed for easy, one-handed cutting.
