

# ESSENTIAL TREMOR TELECONFERENCE

Thursday, June 30, 2016

4pm CST • 5pm EST • 3pm MST • 2pm PST

Join the International Essential Tremor Foundation (IETF) for the first call in a new, free educational teleconference series focusing on a different essential tremor topic each session. Experts in ET care and research will provide up-to-date information in a teleconference format followed by a question-and-answer period. Simply call in to the number provided at registration and hear experts discuss the latest news on a variety of topics involving essential tremor.

## Topic:

Research: Where Are We Now & Where Are We Going

Mark Hallett, MD

## Speakers:

Mark Hallett, MD, Medical Advisory Board Co-Chair  
Chief, Human Motor Control Section  
National Institute of Neurological Disorders and Stroke  
National Institutes of Health
