Englewood and Fort Collins, CO

Facilitated by Patrick McCartney, IETF Executive Director

ESSENTIAL TREMOR TELECONFERENCE

Join the International Essential Tremor Foundation for the third call in our free educational telephone conference series focusing on a different essential tremor topic each session. Experts in ET care and research will provide up-to-date information in a teleconference format followed by a question-and-answer period.

Simply call in to the number provided at registration and hear experts discuss the latest news on a variety of topics involving ET from the comfort of your home. **No computer access needed!**
